

EDWARD WILSON
PRIMARY SCHOOL

Year 2

Talk homework

If you were a penguin living in Antarctica, what would you like for the humans to do?

Your task is to prepare for a speaking presentation in front of the class to answer the question above. You will be asked to speak to the class for 2 minutes. Use the planning sheet to help you prepare and organise your ideas. Make sure you practise in front of someone at home to help you feel confident!

You may want to think about the following:

How do you survive in Antarctica as a penguin?

What problems are you facing?

Who is causing the problems?

How can humans help?
