

When I Grow Up, I Want to Be...

Summer Term 2 Talk Homework

What do you want to be when you grow up? Why do you want to do that job? What would you have to do in your job?

Please help your child to practise talking about what they might like to be when they grow up. Please encourage full sentences. Later in the term, your child will be invited to come to the front of the class to tell their friends.

Example: When I grow up I want to be a vet because I want to help animals to get better when they are sick. I want to give dogs, cats and rabbits some medicine and trim their claws when they are too long.
