

Literacy:

We will be reading a variety of books.

We will focus on:

- Naming and recognising new words.
- Building small sentences about a story.
- Forming pre-writing shapes and Phase 2 letters.
- Phase 2 sounds and the letters that match.

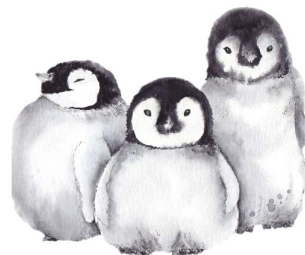

Edward Wilson School Autumn 1 Reception

Curriculum Overview for Parents and Guardians

Phonics

We will be revising and learning some Phase 2 single GPCs (grapheme – phoneme correspondence) and learning to read simple words.

Personal, Social, Emotional Development

We will be learning how to take turns and share.

The rules of the classroom.

Expressive Arts and Design

We will use different materials and objects to draw, paint and make a collage.

Understanding the World

We will be learning about animals and their habitats.

Communication and Language

We will be learning how to follow simple one-step and two-steps instructions.

We will sustain our attention to listen to longer stories.

We will learn to sequence events from a story.

Music

We will explore and play different instruments.

We will learn to copy rhythm patterns.

PE: Monday – Gross Motor Skills

Mathematics:

We will focus on acquiring a deep understanding of number to 5.

We will learn to show numbers 0-5 on our fingers.

We will learn to identify numerals and match quantities up to 5.

We will learn to count objects and write the numeral to match.

We will establish our skill of ordering numbers 0-5.
