

Literacy

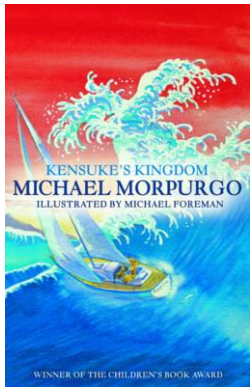

The children will be producing writing inspired by the story *Kensuke's Kingdom* by Michael Morpurgo.

Types of writing will include:

Argument,

Instruction,

Description and Story.

Edward Wilson School Spring 1 Year 5

Curriculum Overview for Parents and Guardians

DT

Making savoury muffins

PSHCE

For PSHCE we will be looking at First aid and the people who help us in an emergency.

RE

We will focus on the theme of Laws and Rules in RE.

Spanish

Las vacaciones -
The Holidays

Science

Materials and their properties

We will be learning about reversible and irreversible changes. We will be looking at the properties of different materials.

Geography

Mumbai vs Fort William

We will be comparing and contrasting Mumbai in India and Fort William in Scotland. We will look at their similarities and differences.

Numeracy

The children will be looking at perimeter, area, adding and subtracting improper fractions, scaling numbers and word problems.

They will be constructing line graphs and interpreting data.

They will also convert fractions, decimals and percentages.

PE is on Thursdays
and Fridays.

Computing

'Mars Rover' programming

Trips

WA Science Lab
Bloomfield Gardens
