The turn in button is at the top right hand of
the screen.

Once you have pressed the “Turn in” button, you still have an option to cancel or to confirm that you wish to Turn in (that is hand in your work).

When you have Turned in your work, don't forget to log out by pressing the letter at the top right hand corner of your screen. (It will be the first letter of your first name).

Then click the sign out tab.
