Dear Parent/Carer,

These are some revision and work books for children to use at home to help them to prepare for their up and coming SATs test. You can order them from Amazon and Ebay or purchase them from any book shop (e.g. WHSmith).

You have two choices: The Expected Standard

and The Higher Score (which is harder).

Should you have any questions regarding this, please feel free to speak with to one of us.

Miss Desmarais, Miss Tully and Ms Bertolini
