

EDWARD WILSON
PRIMARY SCHOOL

Maths Knowledge Organiser - Reception

Count objects, actions and sounds.	Compare numbers.	Select, rotate and manipulate shapes in order to develop spatial reasoning skills.
Subitise.	Understand the 'one more than/one less than' relationship between consecutive numbers.	Compose and decompose shapes so that children recognise a shape can have other shapes <i>within</i> it, just as numbers can.
Link the number symbol (numeral) with its cardinal number value.	Explore the composition of numbers to 10.	Continue, copy and create repeating patterns.
Count beyond ten.	Automatically recall number bonds for numbers 0–10.	Compare length, weight and capacity.
