Parental engagement

- It is really important for parents to be involved in their children's education: parental engagement leads to significant improvements in a child's academic achievement, attendance and behaviour.

Sep 14-10:07

Behaviour Expectations

Behaviour at Edward Wilson is good. Children feel safe and can learn well.

RESPECT	
COMMUNITY	
PERSEVERANCE	If a child fails to demonstrate these values, s/he will be asked to reflect on their choices. This may happen during a lunchtime, in which case it is recorded on your child's file on the school system as 'Reflection' and you will receive an email.
KINDNESS	
HONESTY	
CURIOSITY	Your child is best supported when home and school work together, giving the same messages.

Trips

Parents will need to attend a visit training prior to coming on trips to ensure they are aware of safeguarding and expectations for helpers. The first session will be held on **Thursday 17th September at 2:45pm** by Miss Ling.

Funds for trips are voluntary but the school cannot run certain trips if not enough funding is received. We keep trip charges to a minimum and supplement them from school funds.

Sep 14-10:07

Use of mobile phones

In order to safeguard children, we kindly ask that mobile phones are not used on school property - this includes in the playground.

Aug 13-18:48

Reading journal

Every Friday children will be given a picture book or phonics book to be read to/with them at home.

We would like you to keep note, with at least two comments per week, of how the pupils are engaging with the books and any comments they might make.

Jul 4-13:14

Birthdays

No food to be brought in for birthdays.

Instead, each birthday child will wear a badge/crown that the school will provide for the day.

Jul 4-13:14

Allergy awareness

There is a person in the Special Resource Provision with a life-threatening allergy to pineapple, fish and nuts.

Due to the severity of the allergic reaction these foods would cause, please ensure that any snacks or packed lunches sent from home do not contain any of the above foods or possible traces of them.

Aug 13-18:50

Balanced school lunches

Children learn best when they eat a balanced diet.

Your child has a choice of a free healthy hot meal cooked fresh in our kitchen or can bring a healthy packed lunch.

Lunchboxes must be **balanced** and should **not** contain sweets, chocolate or crisps.

We will be having daily snacktime. The school provides some fruits and vegetables, however these can change often so a healthy snack from home is encouraged where possible.

Aug 13-18:50

1. black shoes (no white trims, all black).

Attendance and Punctuality

We can not stress enough how important it is for your child to be in school.

Arriving late and/or missing days seriously impedes learning. Unless a child is very sick, we encourage you sending them in and we can monitor them.

School starts at **8.45am** and finishes at **3.15pm**.

We expect all children to be **on time** every day. Holidays during term time will **not** be authorised.

Collection of children

At Edward Wilson Primary School, we take safeguarding very seriously. Therefore, teachers will only allow children to go home with their parents.

If for any reason a relative/friend is coming to collect your child, please call the office to let them know before 2:45pm. Anyone collecting children **MUST** be over the age of 16.

Join the PTA!

- Soon, there will be a Parent Teacher Association (PTA) information morning. The date and time will be confirmed via newsletter.
- It is a chance to find out what the PTA is and what they do.
- Joining the PTA is a great opportunity to have your say in the school and to help out with key events throughout the year.
